## Extra appeal! Shikabe Kanketsusen Park

Admission fee

### Geyser Park

The geyser gushes about 15 meters high and its temperature is 103 degrees centigrade.

### Chobo-no-Yakata (Observation Deck) • Cave tunnel

Get a close up look at the geyser from the observation deck on the second floor, with spectacular views of Mt. Yotei and Funka Bay. The "Cave Road" on the first floor offers a great learning experience, with a range of information panels and videos displaying information about the area.

### Chobo-no-Yakata (Observation Deck) • Cave tunnel

#### Hot spring treatments

Nerve/muscle/joint pain, shoulder stiffness, numbness, swollen joints, bruising, sprains, digestive tract, circulation, relaxation, recovery.

The Japanese style rock garden has a beautiful path leading through the grounds. Also popular is the foot bath full of water from the natural geyser, known for its healing properties.

### Lessons

A range of courses on offer including cooking, fishing, glass buoy weaving and more.

### Tourism experience program
